

NewLifeKids

Dear Parents,

In light of a recent rash of sickness that's been "going around," we wanted to just remind everyone about our Healthy Kids Policy to insure the safety and health of all children, parents, and volunteers in our children's ministry.

While the policy may seem overly-cautious or present inconveniences for your family, we believe this is the best way to keep everyone safe. If you arrive at Trinity New Life and your child is unable attend New Life Kids because of a health reason, you're more than welcome to have them sit with you in our main sanctuary.

Thank you for your understanding. We always want to take whatever precautions we can to ensure the maximum health of your kids.

Clayton Bell

Lead Pastor

Kelly Bell

New Life Kids Director

Healthy Kids Policy

To insure the safety and health of all children, parents, and volunteers in our children's ministry, we will follow the health standards proposed by the **American Academy of Pediatrics**:

We do not accept a child into the classroom if he/she displays, or we are made aware of, any of the following symptoms:

- Fever (in the last 24 hours)
- Diarrhea and/or vomiting (in the last 24 hours)
- Pink eye or other eye infections (red, crusty, or watery discharge)
- Sore throat
- Sneezing or cough, if persistent and/or productive
- Colored nasal discharge: white viral infection; yellow or green bacterial infection
- Jaundice (yellowing of the eyes or skin)
- Any skin infections, sores and/or crusts on the scalp, face, or body particularly if red, swollen, draining, or spreading
- Skin eruptions or rash (other than diaper rash)
- Lice
- Swelling and tenderness of glands, particularly around face and neck
- Any communicable diseases

Our volunteers are not permitted to administer medicine to children here at NLK . However, parents are welcome to administer medication to their own child.
